

# How to display your NZ COVID Tracer poster

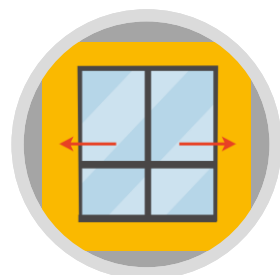

(no need to print this page, print page 2 and/or 3 only)

## DO

- ✓ Do print the entire poster as it is sent to you in A4 or A3.
- ✓ Do place at least one poster approx. 130cm off the ground (to the top of the poster)
- ✓ If possible, place it on the left side of your front window or entrance.
- ✓ Print as many copies as you like.
- ✓ Do display the poster at every entrance. You can place some inside too.
- ✓ Do place it where people can walk past without creating an obstacle.
- ✓ Make it easy for people to reach, and consider those that may be less able to reach over or around objects.
- ✓ You can use either or both posters.

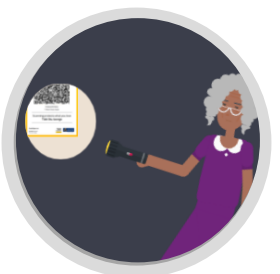

## DON'T

Don't place the poster on sliding or revolving doors

Don't place in an area with high glare and try to avoid glossy laminate or paper

Don't place in narrow, or hard to see areas

Don't place high up or in hard to reach areas
