HEY QT, CAN I GIVE  
YOU A DUTY?

# Amrita

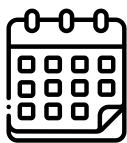

My craziest, funniest and most humble dost! I can't imagine making it through high school without you, you made boring subjects like Stats so much more interesting with your jokes and pranks. I don't think I would have ever learnt important skills like wagging school, forging signatures on notes and making up the randomest excuses to get out of things if it wasn't for you. You add sparkle everywhere you go and I need you there with me to make this wedding extra special.

Love you x
