HEY QT, CAN I GIVE  
YOU A DUTY?

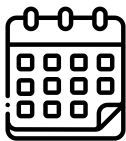

# Jishika

I can't keep count of how many amazing memories I have with you, you have been my partner in crime in many things, be it winning dance2, or venting about relationships, enjoying pizza bread and pasta at divinos and now to being 2023 brides. I know that I can pick up the phone at any hour of the day and ring you and you will be there. Thank you for always being there for me and I promise to always be there for you too. Excited to have you by my side, Love you x
