HEY QT, CAN I GIVE  
YOU A DUTY?

# Rhea

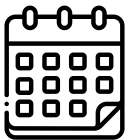

I love your straight up, full honesty no bullshit approach towards life. You are one of the kindest and most personable people I have met, when I am talking to you, I know I have your full attention. You are also one of the most funniest friends I have too, will always remember all our laughs in D15 during lunch times. Thank you for being a solid rock for our group and I am so excited that I get to celebrate this milestone with you.

Love you x
