Ludhiana, Punjab

### Objective:

-----

Highly skilled and motivated PHP Developer with a strong foundation in front-end technologies and extensive experience in building dynamic web applications. Seeking a challenging role to leverage my expertise in PHP, Laravel, and web development to contribute to innovative projects.

### Summary of Qualifications:

-----

- Proficient in PHP, Laravel, HTML, CSS, JavaScript, Bootstrap, jQuery, MySQL.
- Strong understanding of web development best practices and responsive design.
- Experienced in AJAX, API integration, and third-party service integration.
- Solid problem-solving and debugging skills, with a focus on delivering high-quality code.
- Excellent teamwork and communication skills, with a passion for learning and staying updated with industry trends.

### Professional Experience:

-----

Working as PHP Developer with Zenscale Technologies Pvt Ltd. (Ludhiana Punjab) from Sep 2022 to Present.

- Working on Zenscale.in, an ERP software, built in Laravel.
- Developed and maintained dynamic web applications using PHP, Laravel, HTML, CSS, JavaScript, and Bootstrap.
- Collaborated with the front-end team to ensure seamless integration of design elements and user interfaces.
- Implemented interactive features using jQuery and JavaScript to enhance user experience.
- Designed and optimized MySQL databases for efficient data storage and retrieval.
- Integrated third-party APIs for social media integration, and other functionalities.
- Implemented AJAX for real-time data updates and improved page loading times.
- Utilized jQuery for form validation and dynamic content loading.
- Optimized database queries and improved website performance.
- Conducted code reviews and collaborated with the QA team to ensure the quality of deliverables.
- Worked closely with stakeholders to gather and refine project requirements.
- Collaborated with cross-functional teams to deliver projects on time.
